DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. § 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless --

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

2. Claims 1-2, and 7 are rejected under 35 U.S.C. § 102(e) as being anticipated by Trafton et al. (U.S.6,554,402)

Trafton (figs. 11-12, 16-17) discloses elements of the instant claimed ink tank comprising a casing having a front wall provided with a coupling (characterized by part 60; fig. 16), and a bag (characterized by bag 70) disposed in said casing and connected to said coupling, wherein the casing comprises a first shelf (characterized by part 50a) including said front wall, and a second shell (characterized by part 50b) welded to the first shell. (col.5, lines 28+); wherein the casing has a box-like configuration and the first and second shells are fitted together at a seam which passes substantially through the center of side walls of the casing in a plane essentially in parallel with the front wall; wherein the first and second shells are injection-molded parts. (col.10, lines 55-60)

Allowable Subject Matter

3. Claims 9-12 are allowed over the prior art of record.
4. Claims 3-6, 8 is/are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Pertinent Prior art

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
